

13th November, 2017

Dear Parents,

LCC Catering Service 'Christmas Card Competition'

Lancashire Catering Services are offering pupils another opportunity to win a range of prizes, including book tokens and Go Outdoors vouchers, by taking part in the design a Christmas card competition.

The rules are as follows:

- Children should design and decorate their own A4 Christmas card and include their name and year group on the rear of the card.
- Each school can send a maximum of seven Christmas card designs, one entry per year group.
- Once the winners have been announced by LCC all entrants' cards will be donated to LCC Residential Care Homes for the elderly. This brings great pleasure to the residents who thoroughly enjoy looking at and displaying the children's designs.
- Children entering need to design a Christmas card A4

Entries must be forward to school no later than Monday, 27th November.

Thank you.

Yours sincerely,

**Catherine Feber (Mrs.)
Headteacher**
