

8th September, 2017

Dear Parents,

Robins & Kingfishers Outdoor Learning

Robins and Kingfishers will be participating in 'Olly's Woodland Learning' on Wednesdays up to half term, beginning next Wednesday.

Mr Olly White will be delivering fun 'hands on' Forest School sessions, which will involve the use of natural materials found around the local area to inspire creativity and self-expression.

Each week, please could children come to school wearing suitable outdoor clothing (weather appropriate) and wellingtons, for these sessions. Next Wednesday however, Kingfishers should come to school wearing their Roald Dahl inspired fancy dress and change after lunch into outdoor clothing ready for their woodland learning session.

Please also note that on Wednesday, 20th September, the school photographer will be in school taking individual and family photos during the morning, therefore, Robins and Kingfishers should come dressed in their uniform and change into their outdoor clothing after their photograph session.

Many thanks,

Catherine Feber (Mrs)
Headteacher
